

# HYDRAULIC SERVICE AND REPAIR YOU CAN TRUST

Don't let unexpected equipment failures slow you down.

Oil-Air Products offers mobile and industrial customers a cost-effective, quality solution to get hydraulic equipment back up and running. With a team of experienced technicians, you know the repair will be done right the first time.

All units are repaired to meet and exceed factory performance specifications. We back that up with a one-year warranty covering parts and workmanship.

## Quality, Cost-Effective Services

- Repair quotes include FREE tear-down and inspection. Pay only if we repair or replace the component.
- Field service and troubleshooting
- Same-day emergency repair services available
- Remanufacturing exchange programs
- Genuine factory-authorized parts are used on your repairs
- Computerized testing to factory specifications
- Local delivery and pickup at your facility, if required
